**NEW BUSINESS:**

- **Drinking Water State Revolving Fund Update:** Fleis & Vandebriink submitted our application for DWSRF assistance for the replacement of old and undersized water main. Pewamo was given notice that we were in a position to receive grant funding in the amount of \$492,000, along with loan opportunities. However, the latest status of allocations removed us from receiving grant funds.
  - Randy Zenk and Mike Scollon attended a public hearing regarding the allocation of DWSRF Funds. The hearing board was very helpful and explained that the scoring system they were required to use was decades old and there was pending legislature to make it more current.
  - The Village plans to follow up with our State legislatures to encourage changes in DWSRF funding.
- **Clinton County Waste Management:** The Village received communications encouraging us to educate our residents on proper recycling practices at the recycling sites in Maple Rapids and Fowler. They also invited us to contribute toward costs associated with maintaining the sites, as they are in danger of closing. Council supports including information about recycling in our fall newsletter, but is not willing to contribute Village funds. Council suggests that Clinton County Waste Management invite the public to donate to support recycling.
- **Habitat for Humanity of Ionia County:** The Village received information on Brush with Kindness and Rock the Block programs. Council suggested two residents who might benefit. Clerk will contact Habitat for Humanity.

**OLD BUSINESS:** No Updates

**Blight Concerns:** No new concerns

**FINAL ROUND TABLE:**

**Mike Yerge:** Questioned DPW on salt supply for upcoming winter. Mike Scollon reported we have enough.

**Mike Scollon:** Shared thoughts regarding research of the Village's ability to protect our water sources in the event of outsiders wishing to install wells. Mike and Sandy will reach out to water source protection specialists for more information.

**Rob Sterner:** Backhoe needs a new front tire.

**A MOTION WAS MADE** by Trustee Heckman to adjourn the meeting at 8:00. **MOTION SUPPORTED** by Trustee Yerge. Five votes in favor, none opposed, one absent. **MOTION APPROVED.**

These minutes are respectfully submitted by Sandy Wolniakowski and will be presented for approval at the October 11, 2021 meeting of Council.
