The Village of Pewamo is requesting Bids for the construction of East & Higham Street Improvements. Bids for the construction of the project will be received at the Village office located at 130 East Main Street, Pewamo, MI 48873, until **2:00 p.m.** local time, **Thursday, April 6, 2023**. At that time the Bids received will be publicly opened and read.

Items of work on East Street include replacement of approximately 750 feet of existing six-inch cast iron water main with eight-inch pipe from Main Street to Washington Street. Related work will also occur, including water services, curb stop boxes, and all related appurtenances. Additionally, approximately 130 feet of storm sewer in connection to structures are to be placed along the North end of East Street. The full width of pavement on East Street will also be removed and replaced.

Items of work on Higham Street include placing roughly 410 feet storm sewer and correlated structures from Jefferson Street to Washington Street. Related work includes surface restoration, HMA patching, and concrete work.
